A Puzzle for Hardcore BTS Fans

WHERE AM I?

You've been invited to a BTS Love Yourself tour concert.
I am already at the venue with your ticket, find me!

Firstly, let's prepare you for the concert!

Know their Songs

Knowing the songs' story will help you enjoy the concert even more!

Know the Setlist

Know the setlist so you can sneak in snack and water breaks!

Learn the Fanchant

Kim Namjoon! Kim Seokjin! Min Yoongi! Jung Hoseok! Park Jimin!
Kim Taehyung! Jeon Jungkook! BTS!

Not really unnecessary for solving, but "concert" means "puzzle" here.

- "You've been invited to a puzzle."
- "Let's prepare you for the puzzle."

There are basically **four simple steps** in solving this puzzle:

1. Filling in the correct song title.
2. Putting them in the correct order.
3. Choosing the correct letter in each title.
4. Combining the letters to spell out the location.

The three concert preparations are the biggest hints for solving it.

- Knowing the songs will help fill in the correct song title.
- Knowing the setlist will help place the songs in order.
- Knowing the fanchant will help figure out the one letter to use.

STEP 1. Filling in the correct song title

Knowing the song

Answer top to bottom: SERENDIPITY, FIRE, MAGICSHOP, FAKELOVE, BOYZWITHFUN, TRIVIAJUSTDANCE, SILVERSPoon, TRIVIAJUSTDANCE, THETRUTHUNTOLD.

STEP 2. Putting them in the correct order

Knowing the setlist

Players will have to put them in order according to the setlist. Players will have to look up the setlist on Google or Twitter, but they already have information on the tour name. [Link](#)

Correct order: MAGICSHOP, TRIVIAJUSTDANCE, SERENDIPITY, TRIVIALOVE, BOYZWITHFUN, FIRE, SILVERSPoon, FAKELOVE, THETRUTHUNTOLD.

STEP 3. Choosing the letter in the title

Knowing the fanchant

The BTS members' names in the hint represent numbers, which can be figured out by the order of the fanchant.

- | | | |
|------------------|----------------|-----------------|
| 1. Kim Namjoon | 2. Kim Seokjin | 3. Min Yoongi |
| 4. Jung Hoseok | 5. Park Jimin | 6. Kim Taehyung |
| 7. Jeon Jungkook | | |

Example A

1. "This song reminds Jimin of the color purple, with its lyrics perfectly capturing the beautiful bond between BTS and ARMY." (Answer: MAGICSHOP)
2. Jimin is mentioned = 5.
3. The 5th letter in MAGICSHOP is C.

Example B

1. "This song is performed by Namjoon, but Seokjin has joined him on stage a couple times along with other members." (Answer: TRIVIALOVE)
2. Namjoon is mentioned = 1. Seokjin is mentioned = 2.
3. $1 + 1 = 3$.
4. The 3rd letter in TRIVIALOVE is I.

When we figure out all the letters to use in each song title, we combine them in the order of the setlist (from step 2).

- MAGICSHOP, Jimin 5 = C
- TRIVIAJUSTDANCE, Yoongi 3 = I
- SERENDIPITY, Namjoon 1 + Jimin 5 + Hoseok 4 = T
- TRIVIALOVE, Namjoon 1 + Seokjin 2 = I
- BOYZWITHFUN, Taehyung 6 + Yoongi 3 = F
- FIRE, Seokjin 2 = I
- SILVERSPOON, Jimin 5 = E
- FAKELove, Jimin 5 = L
- THETRUTHUNTOLD, Jungkook 7 + Taehyung 6 + Namjoon 1 = D
